Re: H. Stevens
Re: JOHN MANLEYS, formerly of Plainfield and an
eleptic who is now an inmate at the New Jersey
State Hospital at Morris Plains.

Operative interviewed Mr. Smalley who
is the attorney for Mr. Manleys' wife and secured
the picture of John Manleys taken in July 1922
that Mr. Smalley secured from Mrs. Manleys.

Operative turned the picture over to Mr.
Watson in Court this day.

Also made a search for a man in Dunnellen
for Thompson, but this man works for the Central
Railroad of New Jersey and could not be found at
his home. His name is Clarence Fred Oakleys. He
is supposed to have seen Henry Stevens fishing at
Lavalette on September 15th, 1922.

Respectfully submitted:
